

The **5300SE** delivers the powerful financial transaction support you need with a Windows CE platform base. This high-volume ATM solution features high-capacity note storage and 24/7 customer access. This rugged model brings you the same high quality and proven dependability you expect from industry leader Hyosung.

KEY FEATURES

INNOVATIVE DESIGN

This latest advancement in customer convenience features a user-friendly interface displayed on a vivid 15" screen.

HIGH CAPACITY

The **5300SE** accommodates up to four 2,000-note cassettes for a maximum storage of 8,000 notes. The dispenser profile can be adjusted to suit your specific needs, making this the ideal solution for high-volume transactions.

EXTRA SECURITY

Experience peace of mind knowing the **5300SE's** high-volume of notes can be protected with a Level 1 safe option. The unique design also allows you to add an optional camera for added security.

EFFICIENCY

This cutting-edge model offers you a low cost, financial institute grade ATM that is Windows CE platform based.

RELIABILITY

You can count on the **5300SE**. Its ease of maintenance and simplified service provide maximum availability and uptime with minimal operational intervention.
