

TOP 7 BENEFITS OF

Deploying ITMs

Now is the time to invest in ITM technology.

1

ITMs complete up to **90%** of teller transactions:

- Deposit checks and cash
- Loan payments
- Cash check to the penny
- Bill payments
- Cardless transactions
- Account transfers
- Dispense multiple cash denominations

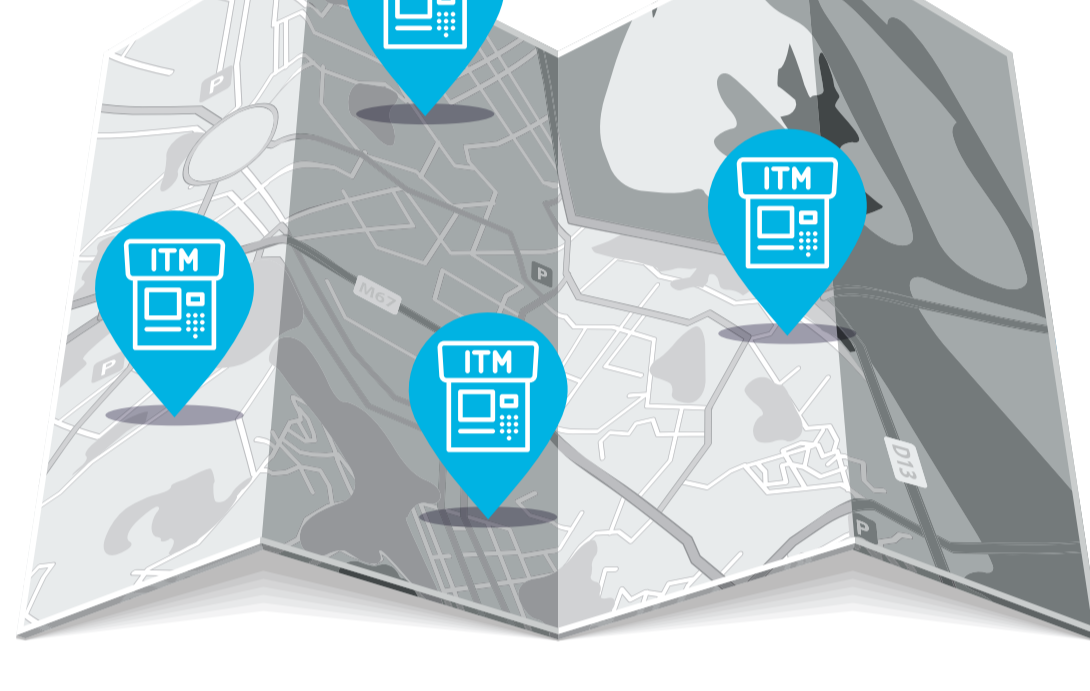

2

ITMs enhance the customer experience. Safe, self-service automation offers human connection with video-teller at a time when in-branch transactions have reduced by **19%**

↓ **19%**

3

ITM enabled branches **EXPAND** your footprint

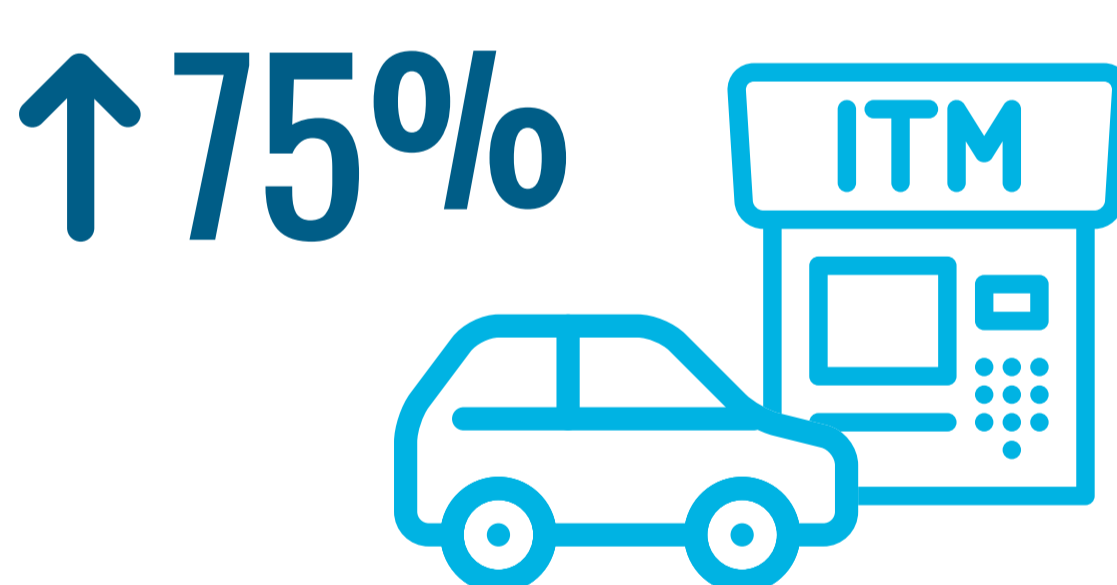

4

ITM transactions cost **LESS** than a teller

5

Drive-up ITMs move up to **75%** of transactions out of the branch

6

ITMs increase operational efficiencies. ITM remote tellers perform **2X MORE** transactions than branch-based tellers

2X MORE

7

ITMs **EXTEND** your service hours

ITM technology provides the ideal customer experience while improving operational efficiency.
